Greetings to the FBI Citizen's Academy Alumni:

It is a great time to be a Citizens Academy Alumni Association member. We continue to gain momentum and are excited for what 2020 will bring.

Currently we have over 700 graduates from the Sacramento program, strengthening our network and helping to further our mission to foster a safer community. We also just wrapped up our second Citizen's Academy in Fresno with over 60 graduates from both classes.

In the past year our alumni and guests have:

- Attended exclusive law enforcement briefings on: *The Tad Cummins: Child Abduction Case*, *Operation Slide Lock*, and many others.
- Attended the National FBI Citizen's Academy Conference in Houston, Texas
- Visited Quantico and FBI Headquarters in Washington, D.C.
- Supported the *Missing in California* event in partnership with the Sacramento Police Department along with the Fresno Boys & Girls Club
- Introduced a new quarterly Newsletter to keep our alumni up to date on the many things happening in our community.

In 2020 we have some exciting things planned:

- Presentations in our community through our *Swindles & Scams* workshop on how to prevent Internet & Email Fraud.
- Spring dinner/fundraising event with Sacramento Police Captain Daniel Hahn, Special Agent in Charge, Sean Ragan and more.
- Opportunities to support events within our communities that further our mission to foster a safer community.

All of this happens through the work of the FBI Sacramento Citizens Academy Alumni Association -- a self-supporting, all volunteer 501(3)(c) nonprofit membership organization formed and managed by alumni. The board is honored to serve our membership and we *need your help to continue*.

As a graduate of the program, you know the value of being a class participant. We hope you will reflect on those unique experiences and support the association by re-activating your annual membership by **January 30** for \$55 by visiting www.sacfbicaa.org/membership.

We also need more involvement on our board from our alumni group. If you are passionate about the FBI Citizen's Academy and our mission, please reach out to info@sacfbicaa.org.

We know there are many worthwhile organizations and appreciate your consideration and continued support of the FBI Citizens Academy Alumni Association.

Sincerely,

Terry Carroll
Board President
